

STRONG FOUNDATION FOR PERFORMANCE MEASUREMENT

OCTOBER 20, 2016

NOTES: Theory of Change

Any ideas for clarifying or strengthening your program's TOC?

NOTES: Evidence

Where is your program on the evidence continuum? What's next? Any ideas for clarifying or strengthening your program's evidence?

NOTES: Logic Model

Are there any changes to make to strengthen your program's logic model? Is your logic model in alignment with your theory of change? Your performance measures?

NOTES: Performance Measures

Are your performance measures appropriate? Are you able to report on important and meaningful results? What challenges need to be addressed? Ideas for solutions?
