

Critical Intervention Points

Potential Intervention Point: _____

Does it play to strength?
Will it come as a surprise to any key stakeholders?
What changes to current practice are needed?
Do existing volunteers and staff have the expertise and time to carry this out – or need to be trained?
Are more or different people needed? <ul style="list-style-type: none">• New position descriptions?
What are the biggest anticipated challenges?
What are you willing to invest?
What aren't you willing to invest?
Is it sustainable?
